

Student Engineering Exhibition - 2017

Welcome

'Student Engineering Exhibition-SEE' is an incredibly outstanding two day event with an objective of formulating a stimulating and challenging environment that demands for the students of various schools, colleges and universities from all over Pakistan to flaunt their skills and capabilities through participating in some mind smashing challenges and competitions.

The purpose of this event is to enhance the students' capacity and potential by providing them the opportunities, where they apply and mold their classroom concepts in a recreational style. All of the participants are given a certificate of recognition to complement their attempts in competing energetically BUT the students with the exceptional performances and remarkable efforts are rewarded with the winning prizes to strengthen and magnify their two day struggle and energy.

This year as well, we plan to continue this unique practice and aim to hold this immense event on 6th and 7th of November 2017 at KIET (main campus), BIGGER AND BETTER than the preceding years, with additional workshops and exciting competitions that will make this event a MUST TO ATTEND.
