Rules and Regulations:

- The game of chess is played between two opponents who move their pieces on a square board called a 'chessboard'. The player with the light-color pieces (White) makes the first move, then the players move alternately, with the player with the dark-colored pieces (Black) making the next move. A player is said to 'have the move' when his opponent's move has been 'made'.
- Each player will have 30 min (total time)
- Each player will have only 1 minute to make the move. If he/she failed to make a move then the next participant will automatically win.
- For each turn, the time allotted for make a move is only 1 minute. If the participant makes the move within a minute, then the remaining time will be added in his/her total time.
- Increment time will not be given.
- All the teams who win in the 1st round will be qualified for the 2nd round.
- In case of tie the participant that has greater remaining time will be qualified for the next round.
- Round 1 and Round 2 will be conducted on Day 1 and Day 2 respectively.
